

Locating the thermostat ID in the Warmup App

Open the Warmup app: press the gear icon.

Note the Device number from the app:

Enter the ID into the driver configuration:

System Settings	
License	
License Key	AB4B-1567-214F
Thermostat 1	
Device Serial Number.	c8-2b-96-b3-fd-08
Name of stat to use in RTI.	Office
Thermostat 2	
Device Serial Number.	24-d7-eb-ad-78-c0
Name of stat to use in RTI.	Bathroom
Thermostat 3	
Device Serial Number. (Enter the serial number from the Warmup App)	c8-2b-96-b2-bb-18
Name of stat to use in RTI.	Conservatory
Thermostat 4	
Device Serial Number. (Enter the serial number from the Warmup App)	24-d7-eb-ad-63-0c
Name of stat to use in RTI.	Bedroom

The numbers are hexadecimal so they are zeros and not the letter ohh!
